

Dr. Milton J. Bennett directs the Intercultural Development Research Institute, co-located near Seattle, USA and Milan, Italy, teaches intercultural communication at the University of Milano Bicocca, and consults widely. He originated the *Developmental Model of Intercultural Sensitivity*, authored the text *Basic Concepts of Intercultural Communication: Paradigms, Principles, & Practices* (Intercultural Press, 2013), and more recently has written on the topics of self-reflexive consciousness (“An Epistemology of Hate” for *Hate Crimes as Domestic Terrorism*) and culting (“Group Indoctrination: Techniques of Depersonalization and Domination of Individual Consciousness” for *Indoctrination to Hate*).
